

***Down East* Photography Submission Guidelines**

We are always interested in seeing fresh and exciting images of Maine. The majority of the art used in *Down East* is created on an assignment basis. We give assignments to experienced professional photographers. If you are interested in working with us, please prepare a digital portfolio of your best work. Before sending any unsolicited photography or artwork, please contact our visuals editor Ben Williamson at bwilliamson@downeast.com with a link to your online portfolio.

If you are a reader interested in submitting images for the magazine's Your Maine department or our online reader-submitted galleries, we'd love to see what you've shot. Please visit our website to upload your image(s) using our reader submission form:
